Hello,

I left you a voice message earlier today. I have been working on gathering the information that you requested. Most of yesterday, and all of today has been devoted to working with the Oregon DEQ on new developments. The unexpected interruption put a hitch in my work flow.

I am going to compile the information you asked for with the information that the DEQ has requested. For the DEQ we are routing the information through legal channels. We are taking the time to make sure the information provided is complete and accurate.

Regards,

Eric E. Durrin
